# Mission Statement

We are committed to our mission of providing the Wiseburn community and others with a robust sports program that focuses on students' well-being and finding a healthy balance between academics and athletics. WDV Athletics holds student-athletes to the highest of standards. Da Vinci students must achieve a 2.0 GPA for the grading period prior to the season of play and maintain a 2.0 GPA throughout the season to compete on any team. Student-athletes are also expected to contribute positively to the Da Vinci community; we encourage commitment, a sense of responsibility, teamwork, self-discipline, leadership, and good sportsmanship in-and-out of the classroom. Go Wolves!!

## A few CIF Rules That Always Come Up

**CIF Rule 207 - Transfer Eligibility** (please see athletic director for more details) Any school seeking athletic eligibility (AT ANY LEVEL) for a student must complete the appropriate online transfer process. Prior to any interscholastic competition, the student athlete must be cleared by the CIF Southern Section office.

### **CIF Rule 600 - Club Sports**

A student athlete on a high school team becomes ineligible if the student competes in a contest on an "outside" team in the same sport during the student's high school season of sport.

## **Student Academic Eligibility**

We are committed to our mission of providing the Wiseburn Da Vinci community with a robust sports program that focuses on students' well-being, finding a healthy balance between academics and athletics. Da Vinci students must achieve and maintain a 2.0 GPA to compete on any team.

## **Multi-Sport Athletes**

It is the expectation that coaches will encourage athletes to participate in more than one sport. This does not mean more than one sport per season, but participate in a sport in the fall, winter and spring.

# Communication

Please sign up for the athletics blog. The link can be found on the [athletics home page](#).

Wiseburn Da Vinci Athletics Social Media:

Twitter: @WDVAthletics

Instagram: wdvathletics

All team specific information will come from the coach. Tryouts, practice times, facility location etc.

Chain of resolution:

1. Player to coach
2. Parent and player to coach
3. Parent and player and coach to athletic director
4. Parent and player contact Vicente Bravo

Anonymous doesn't work. Its makes resolving an issue harder and takes longer.

AD will not talk about rosters or playing time, that is the coach's decision.

# Athletic Clearance

Prior to participation on a school athletic team, students and parents are required to register through [www.AthleticClearance.com](http://www.AthleticClearance.com)

Questions?

Have a great season
