Wiseburn + Da Vinci (WDV) Athletics offers a competitive interscholastic athletics program for students of all skill levels with 19 teams participating in 8 sports.

We are excited to share that the Wiseburn Da Vinci Wolves have received approval by the CIF Southern Section Executive Committee to move from Small Schools Area 9 to Coast Area 2, paving the way for our move to the Pioneer League beginning in the 2022-23 school year. A new league will benefit our student-athletes by providing a more competitive experience, more consistent game schedules, additional team levels, shorter travel times, and more.

We are committed to our mission of providing the Wiseburn community and others with a robust sports program that focuses on students' well-being and finding a healthy balance between academics and athletics. WDV Athletics holds student-athletes to the highest of standards. Da Vinci students must achieve a 2.0 GPA for the grading period prior to the season of play and maintain a 2.0 GPA throughout the season to compete on any team. Student-athletes are also expected to contribute positively to the Da Vinci community; we encourage commitment, a sense of responsibility, teamwork, self-discipline, leadership, and good sportsmanship in-and-out of the classroom. **Go Wolves!**
